#1 EtonHouse Pre-school

Headquater in Singapore, The Etonhouse International Education Group has 120 schools across 11 countries. We run pre-schools as well as K-12 international schools. Together, these schools provide internationally recognized programmes and high-quality education to over 20,000 students globally. The group also runs enrichment programmes and cutting-edge ed-tech programmes to scale the provision of high-quality education in pre-schools. Over the last 27 years, EtonHouse has been at the forefront of international education in the Asia Pacific region and has won numerous awards. In 2019, our founder, Mrs. Ng Gim Choo won the EY Entrepreneur Of The Year Award in the Education category. In addition, EtonHouse was recently selected to be in the inaugural cohort of the Scale-Up SG programme, which is an Enterprise Singapore programme selecting high-growth potential local companies which can be groomed into future global champions. With children at the heart of what we do and the vision to make good quality education accessible to every child in Singapore, EtonHouse launched the EtonHouse Community Fund (ECF) in 2015. As an independent IPC charity, ECF continuously runs initiatives to make a difference in the lives of vulnerable children.
