#5 Total eBiz Solutions

TeBS is a trusted technology partner established in 2003 in Singapore to provide IT services. TeBS serves clientele across industries and the globe with offices in Singapore, Australia, Malaysia, Indonesia and India with a workforce of 250+ technology consultants.

Total eBiz Solutions' (TeBS) mission is Enabling Digital Transformation for their clients by providing cutting-edge solutions in areas of Modern Workplace (Intranet, Collaborative Systems), Hyper Automation - Robotic Process Automation, Business Process Automation (Workflow and Digital Forms), AI and Cognitive Solutions, Customer Experience – Dynamics 365, Enterprise Mobility, and Cloud enablement.

TeBS defines and delivers winning strategies for our customers by harnessing the power of digitization, through a collaborative, relationship-based approach, ensuring seamless coordination between the client's requirements and their service delivery.
