

JOB LISTING BOOKLET

Career Ignite @ OTH
[4 July 2026 | 10am – 2pm]

As part of our effort to save the environment, please return this booklet at the exit after you have completed **all** interviews.

About e2i (Employment and Employability Institute)

e2i is the empowering network for workers and employers seeking employment and employability solutions. e2i serves as a bridge between workers and employers, connecting with workers to offer job security through job-matching, career guidance and skills upgrading services, and partnering employers to address their manpower needs through recruitment, training and job redesign solutions. e2i is a tripartite initiative of the National Trades Union Congress set up to support nation-wide manpower and skills upgrading initiatives. For more information, please visit www.e2i.com.sg

Only for Singaporeans & Permanent Residents

#1 APTLed

APTLed Careers is a Singapore-based recruitment and management consultancy specializing in the Early Childhood (EC) sector. They focus on connecting qualified educators, including preschool teachers, infant educators, and management staff, with preschool operators across Singapore. Beyond recruitment, they offer management consulting, training, and leadership development for the Early Childhood Sector.

Job Positions	Key Responsibilities / Pre-requisites	Working Hours / Location
Administrative Assistants	<p>Key Responsibilities</p> <ul style="list-style-type: none"> Supports daily operations by managing front-desk duties, parent communication, and enrollment.
