

# Sustainability-Centric Jobs

## Jan 2025 Edition

### JOB LISTING BOOKLET

As part of our effort to save the environment, please return this booklet at the exit after you have completed **all** interviews.

#### **About e2i (Employment and Employability Institute)**

e2i is the empowering network for workers and employers seeking employment and employability solutions. e2i serves as a bridge between workers and employers, connecting with workers to offer job security through job-matching, career guidance and skills upgrading services, and partnering employers to address their manpower needs through recruitment, training and job redesign solutions. e2i is a tripartite initiative of the National Trades Union Congress set up to support nation-wide manpower and skills upgrading initiatives. For more information, please visit [www.e2i.com.sg](http://www.e2i.com.sg)
