#4 METHODIST WELFARE SERVICES

Methodist Welfare Services (MWS) is all about empowering people to have life to the full.

We are a non-profit organization serving people across all ethnicities and religions. We recognize that the people we serve may experience poverty in different ways – weak social support or fractured relationships, poor health, a sense of hopelessness, or a lack of means. We journey alongside them to uncover their inherent strengths, affirm them and support them holistically towards a better life. While MWS' sphere of impact has expanded since our founding, our core spirit of social holiness remains unwavering. Today, we serve over 11,000 beneficiaries, including children

from disadvantaged backgrounds, youths at risk, families in distress, seniors who are socially isolated, and the chronically ill and destitute.

#5 NATIONAL UNIVERSITY HEALTH SYSTEM

NUHS Regional Health System Office brings together NUHS institutions, community health and social care partners, to develop and implement initiatives that improve population health, promote preventive health and enhance overall well-being.

Together, we strive to build a healthy and engaged population in the West, empowered to live and age well in their home and in the community. We focus on delivering integrated, seamless care to residents across the care continuum - from primary care to acute care, to intermediate and long-term care - by integrating and anchoring care in the community.

#7 REN CI HOSPITAL

Ren Ci Hospital is an established Voluntary Welfare Organization (VWO) in rehabilitative and geriatric care, primarily serving the elderly community in Singapore. Ren Ci (仁慈) means loving kindness and compassion which became the guiding principles in our delivery of affordable medical, nursing and rehabilitative care services, serving all regardless of background, race and religion. Our spectrum of care includes a community hospital, a chronic sick unit, two nursing homes and three day centres offering day rehab, day care and centre-based nursing services.

Over the years, Ren Ci has evolved and expanded its services to meet the needs of a rapidly ageing population in Singapore, leverage on partnerships and engagement with the community to give dignity back to the elderly.

As a dynamic healthcare organisation, we are looking for suitable professionals who have a passion for serving the elderly and who wish to build a career in the community care sector.
