#2 ChainUp

ChainUp is a global leader in blockchain technology solutions, offering crypto exchanges, digital asset management, custody services, and Web3 infrastructure to empower businesses in the digital asset ecosystem. As an employee, you will have the opportunity to innovate in the fast-growing blockchain and fintech space, gain global exposure by working with international clients, and enjoy career growth in a dynamic and evolving industry. With competitive pay, performance-based incentives, and the chance to shape the future of digital finance, ChainUp is the place to be for ambitious professionals.

Job Positions	Key Responsibilities / Pre-requisites	Working Hours / Location
Asset Management Relationship Manager	<p>Key Responsibilities</p> <ul style="list-style-type: none"> ChainUp Investment is a leading provider of digital asset management solutions, catering to institutional clients, high-net-worth individuals (HNWIs), and accredited investors. We specialize in crypto funds, blockchain-based investment products, and asset management strategies, leveraging cutting-edge technology and deep industry expertise. We are seeking a Relationship Manager to build and manage key client relationships, drive asset growth, and deliver tailored investment solutions. As an Asset Management Relationship Manager, you will be responsible for cultivating and maintaining relationships with institutional investors, family offices, accredited investors, and fund managers, ensuring their needs are met with customized investment solutions. Your role includes identifying and onboarding new clients, providing expert guidance on crypto asset management strategies, and positioning ChainUp Investment's offerings as preferred solutions. You will structure and present investment proposals, conduct portfolio reviews, and offer insights on market trends, risk management, and regulatory compliance. Collaborating closely with the investment and research teams, you will help shape tailored portfolio strategies, ensuring clients achieve their financial objectives. Additionally, you will monitor market developments, regulatory updates, and competitor trends, contributing to business development and product innovation. Your role also involves attending industry events, networking with key stakeholders, and ensuring high levels of client satisfaction and retention. <p>Pre-requisites</p> <ul style="list-style-type: none"> 3-5 years of experience in relationship management, private banking, wealth management, or asset management (preferably in crypto, blockchain, or fintech sectors) Strong understanding of crypto funds, blockchain investments, DeFi strategies, and digital asset markets Proven track record in client acquisition, portfolio management, and investment advisory 	<p>Working Hours: 9am - 6pm</p> <p>Location: 3 Temasek Ave, Centennial Tower, Singapore 039190</p>
